Re: Section 104 Information Request regarding IWI, Inc., Summit, IL

Dear Mrs. Bensing:

I am in receipt of the Second Mailing of the Information Request mentioned above. My receipt was delayed because the Requests were directed to a dedicated freight bill payment lockbox operation and not one of our business offices.

Since 1981 Yellow has operated a large freight handling facility at 10301 S. Harlem Avenue, Chicago Ridge, IL which is only a few miles from Summit, IL. That facility has an EPA # ILD 1087 10377.

Yellow does not transport hazardous waste but moves many HM shipments in interstate commerce. Yellow is normally connected to an EPA site because it delivered a shipment to the site.

I know that this is not the formal answer required but I wanted to let you know that Yellow is finally aware of your request and I am in the process of searching for any information in our possession.

Sincerely,

Jerry C. Bowlin
Vice President & Secretary
